

Now's the time to make your move.

FHA loans are more affordable.

Have you heard? The Federal Government has recently reduced mortgage insurance premiums on FHA loans. That's really great news for first-time homebuyers or anyone wanting to purchase a home.

FHA loan features include:

- Lower mortgage insurance premiums
- Low down payment requirement
- Fixed or adjustable interest rates
- Purchase or refinance loans
- Easy credit refinancing

Act now while interest rates are still near historic lows.
